ANNUAL OPEN HOUSE HELD AT T-ROSS BROTHERS CONSTRUCTION

December 18th was a night to remember at T-Ross Brothers Construction! The company hosted its annual Holiday Open House alongside the grand finale of the Susquehanna Valley Scavenger Hunt, creating an evening filled with excitement and celebration from start to finish.

The event treated nearly 200 guests to a vibrant atmosphere complete with delicious food from Feast of Flavor in Lewisburg, refreshing beer from Jackass Brewing Company—with locations in Lewisburg and Williamsport—sweet treats from Baked by Brina in Milton, and wine

from Iron Vines Winery in Sunbury. Complementing the delectable offerings, live music by The Family Ties, a talented band from Williamsport, kept the energy high and the crowd entertained throughout the evening.

T-Ross Brothers Construction was honored to host state senators, state representatives, and county commissioners, who joined in the festivities, reflecting the strong community connections the company values so highly.

The highlight of the evening was

the thrilling conclusion to the Susquehanna Valley Scavenger Hunt. The top 10 scavenger hunt teams gathered to unlock their chests and discover their prizes, creating moments of joy and celebration for all in attendance.

The company extends its heartfelt thanks to everyone who participated and helped make the evening truly special. The success of the event underscores T-Ross Brothers Construction's commitment to fostering community spirit and bringing people together.
